

## What can you donate to Volunteer Hospice?

- Volunteer Hospice accepts donations of medical equipment and supplies, depending on our inventory and space available. We can accept these:
  - Bedside Commodes
  - Walkers, 2 and 4-wheel
  - Wheelchairs
  - Transport Chairs
  - Knee Scooters
  - Bath & Shower Benches
  - Over-Bed Tables
  - Hospital Beds, 3-motor, Invacare brand
  - Nebulizers
- All items, except beds, need to be brought to 829 E. 8<sup>th</sup> Street. We will make a final determination based on the item's condition.
  - Beds will be assessed by our volunteers, who will come to your home and pick it up if we can use it.
- There might be times when we will not be able to accept a particular item because we have too many (always check back a week or so later as inventory changes daily.)
- All items need to be in good working order and without missing parts or rust.
- *We do not accept Hoyer lifts, lift chairs, recliners, or any -ostomy supplies.*

**Thank you so much!**
